Oklahoma COGs

Capital Improvement Program

429 CIP Participants

405 Towns & 24 Counties

Capital Improvement Program

- Initiated in 1994 through funding from the Oklahoma Dept of Commerce, and continues
- CIP Definition:
 - Inventory of a community's capital assets
 - A summary of their attributes
 - A schedule for their improvement and/or their replacement
- A CIP is intended to be a plan for the continued satisfactory service of the community's assets

- Monthly Meetings

- Software Compatibility
 - Excel
 - ArcGIS

Capital Improvement Program

Next:

- Updates to the CIPs.
- State Property Survey.
 - Already done for Tulsa County earlier this year using the County Tax Assessor records as the search and locate.
- COGs are set up to do these.
